## VISION:

*Fully realize personal and company potential, creating an insanely great company: being recognized as the most well respected, easy to work with and trusted brand in the industry.*

Park IP's ISO 9001:2015 Certified Quality Control process is driven by our highly skilled and qualified Project Management Team. Our extensive experience with international IP coupled with a focused and knowledge-driven approach enables us to cultivate a profound understanding of our clients' needs and demands.

Accuracy, reliability, and flexibility are essential to helping our clients accomplish their goals. Our rigid translator QA Process is backed by a proven and vetted Language Quality Assurance (LQA) management program used to translate nearly a billion words in a year.

Our unique **Internal Review Board for Quality** enables us to ensure ALL translations performed are equal to or greater than **99.955% accuracy, tracked in real-time**. Quality is paramount to our mutual success.
